

November 3rd \* 1-4 pm EST

# #DOCASKSFDA

A virtual discussion between the  
diabetes community and FDA

Join us for an unprecedented virtual discussion between the diabetes community and FDA on Monday November 3, 2014.

The FDA is hosting a virtual dialogue with people living with diabetes on what treatments are currently, available, what the biggest unmet needs still are, and what we want in our future drugs and devices.

We need YOUR opinions to be a part of this discussion!

Fill out our survey at [diaTribe.org/survey](http://diaTribe.org/survey)

and share your thoughts on what's important to you when it comes to living with diabetes.

Your feedback will go directly to FDA and help influence the conversation on November 3.

Be on the lookout for information on how you can register for the event!

Join the conversation LIVE on Monday, November 3rd from 1-4pm.

COMING SOON:  
information on how to register to attend the virtual event. If you are unable to attend the entire 3 hour session, you can still register and attend as you are available.

Share this information with your social networks by using #DOCAsksFDA and let your friends know the importance of this meeting.
